The Blessing Of The Ferries

Father Bert shall say:

Seeing in the course of our duty we are set in the midst of many and great dangers, and that we cannot be faithful to the high trust placed in us without the help of Almighty God/Creator, let us pray for his blessing upon these Ferries and all who [will] serve in her.

Rev. Hockley shall ask for God's blessing on this ferries, using this ancient call (from the Gaelic Blessing, 1589):

I call upon you to pray for God's blessing on these Ferries

Father Bert says-May God the Father bless her.

Together-Bless our Ferries.

Rev. Hockley says-May Jesus Christ bless her.

Together-Bless our Ferries.

Traditional Faith Keeper-Neil Monague says-May Creator bless her.

Together-Bless our Ferries.

Naval/Mariners' Hymn Recording

Eternal Father, strong to save,
Whose arm hath bound the restless wave,
Who bidd'st the mighty ocean deep
Its own appointed limits keep:
O hear us when we cry to thee
For those in peril on the Sea
O Christ, whose voice the waters heard,
And hushed their raging at Thy word,
And walkest on the foaming deep,
And calm amid the storm didst sleep;
O hear us when we cry to thee
For those in peril on the Sea
Hand drummer will sing while the Commemorative Pins.
